Re: Idaho State Board of Speech and Hearing Services

Dear Ms. Rogers:

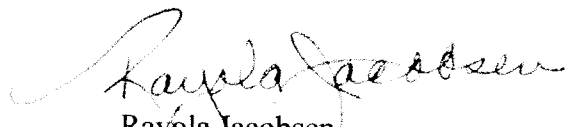

Congratulations! The Idaho State Board of Speech and Hearing Services is pleased to announce that you have been approved for licensure as a Speech Language Pathologist. However, based upon your discipline in the state of Oregon, your license is restricted as follows:

You must be supervised by a Board-approved Speech Language Pathologist during the performance of your services related to dysphagia. You will be eligible for a release of the license restriction upon submission to the Board of ten (10) videofluoroscopy video cases which are approved by the Board. The tapes for the cases should be ½ inch tapes.

Be advised that licenses expire on your birthday in the year following the year of issuance and every year thereafter, unless renewed. Continuing education requirements must be met at the second renewal and every year thereafter.

A wall certificate will be mailed to you when it has been properly executed. Please notify this office, in writing, any time you have a change of address.

Sincerely,

Rayola Jacobsen
Bureau Chief
